

HGLGA General Meeting Minutes 11/06/2024

The November General Meeting was called to order by President Karen Sullivan at 1:10 p.m.

- 1. Minutes** - Last month's General Meeting minutes were approved by Gail Da Ros and seconded by Barb Callaghan.
- 2. Treasurer's Report** - Ann Bazinet reported we currently have 92 members which includes four new members - Ana Ellis, Tammy Reynolds, Lori Davis, and Susan Zola. We have \$4546.28 in the Treasury.
- 3. Cap Control** - Karen Sullivan said Cap Control is up and running. We should post all rounds unless it is a scramble. If you do not post, you'll receive an email from Cap Control. If you do not receive any emails, please contact the Pro Shop. The goal of Cap Control for this season is to get 60% of members to post 75% of their rounds.
- 4. Golf Committee Report** - Karen Sullivan is our representative on the Golf Committee. She said that there were concerns from players that our fairways are too tight. This is because of the amount of golf cart traffic on them. With 55,000 rounds per year on our course, we need to try to try to enter and exit the course at 90 degrees and avoid driving on the fairway as much as possible. Other items: The green on hole #5 has rough spots and these areas are considered ground under repair. The golf course currently has 562 members, 491 resident members and 71 outside members. The start of the building of the bulkhead on hole #17 is waiting on permits. The Adopt A Hole Program will continue this year. They are in need of volunteers and if you would like to help, contact Lori Vivian.

5. Holes in One - Penny Spears had a hole in one since the last meeting and received a \$50 gift.

6. Rules - Trish Perry discussed rules:

- 2 + 2 Local Rule - If a drain is within two club lengths of the green and your ball is within two club lengths of the drain, you may move your ball away from the drain but no closer to the pin.
- Repair of Cup - If your ball is on the green, you may repair the cup. If you are not on the green, you may repair the cup and any damage on the green only, not the fringe, in a timely manner.
- Penalty areas - You may take a practice swing and ground your club in penalty areas. You may not ground your club in bunkers.
-
